

Why Choose  **EQODRY®**

Made by Foamtec International

- ✓ Founded in 1997 as a joint venture between Foamex USA and the Hua Kee Group, Thailand
- ✓ Core polyurethane foam production technology from Foamex USA's industry leading North American operations
- ✓ Produces approx 200 specialty foam products sold in 23 countries in Asia, Europe and North, Central and South America.
- ✓ Located within duty free zone

Thermally reticulated foam

- ✓ Open pores = does not absorb water = fast drying

EQODRY® is guaranteed to maintain water permeability and circulation for a period of 5 years from time of delivery

✓ Same density, different firmness
